WE HELP YOU COMPLY WITH GOVERNMENT REGULATIONS

Streamline the procurement process and comply with government purchasing regulations. At HD Supply, we provide competitively priced products that meet your needs and your budget. You can also take advantage of our FedMall Contract.

GSA Schedule Items

Look for the  icon on our website to find products on our schedule contract.

Open Market/Nonschedule Items

On phone, fax, and email orders, we inform identified government customers of open market items. Find the full list of open market products at hdsupplysolutions.com/gsa.

Country Of Origin

Country of origin is displayed online for all products. On phone, fax, and email orders, we inform identified government customers if a product is imported.

Transparency And Oversight

Our Compliance and Contracts team ensures our contractual commitments and regulatory requirements are met. We help our customers meet transparency and oversight goals with detailed purchase reports and periodic internal reviews and self audits.

Trade Agreement Act (TAA)

On phone, fax, and email orders, we notify identified government customers of TAA-compliant products. TAA status is displayed online under product details.

AbilityOne Products

We offer a selection of AbilityOne products to help you meet your purchasing goals. AbilityOne items are flagged in our order entry system, in our catalog, and online to help you comply with federal purchasing requirements.

P-Card Users

We automatically apply GSA Schedule pricing to every order that's placed using your GSA SmartPay card.

Supplier Diversity

We help you comply with procurement goals. Our Supplier Diversity program builds strong relationships with certified diverse and small businesses that offer quality products, services, and innovative solutions.
