New And Popular Brands

Features national-brand quality, budget-friendly prices, and ENERGY STAR® qualified options.

Hotpoint

Offers appliances designed, tested, and engineered for durability.

FRIGIDAIRE

Provides the easy, modern, affordable choice for your property.

Delivers long-lasting performance and on-call technicians when you need service.

Offers comprehensive options to meet your properties' needs.

Stands out from the rest with full-featured, tech-forward options.

In Stock & Ready To Ship

We've leveraged our large distribution network to provide an expansive assortment that's available to you with free, next-day delivery.* Shopping is easy with clear product differentiators to help you make the right choice for your property.

Services You Can Rely On

FREE, IN-UNIT DELIVERY & HAUL AWAY†

When you order four or more appliances, we'll haul away the old ones for a faster, smoother project.

WARRANTY SERVICES TEAM

If you have a warranty claim, our professionals are ready to help facilitate the process.

MY REPAIR PARTS

Easily search and find thousands of brand-name appliance repair parts online.

*On most orders to most areas.

†For orders with fewer than four appliances, this service is available for a \$150 fee. In-unit delivery service is available to properties within 50 miles of a distribution center. Excludes compact appliances and disposers. HD Supply Facilities Maintenance reserves the right to refuse service. Trip charges may apply if services are refused by the customer. Services may change without notice, and are subject to availability, site, and unit conditions. Some restrictions apply. Haul-away appliances must be disconnected prior to removal. We will only haul away the same number and type of appliances delivered. For installation, please contact your HD Supply Facilities Maintenance representative and request a quote.

Exceptional Quality. Outstanding Value.
