SUPPORTING MAINTENANCE EDUCATION PROGRAMS TOGETHER

As presenting sponsor, HD Supply will contribute up to \$6,000* to enhance local apartment associations' programs, such as trade shows, education sessions, and maintenance appreciation days. A contribution will be made to each National Apartment Association affiliate that was scheduled to host a Maintenance Mania® event during this past season.

HELP YOUR LOCAL

ASSOCIATION BY:

- Purchasing products during the promotional period from the sponsors who make Maintenance Mania possible
- Using **Source Code L6R** every time you order during the promotional period†
- Placing your order at **1.800.431.3000** or at **hdsupplysolutions.com/maintenancemania**

WHAT YOU DO IS MORE THAN A JOB

You are the problem solvers. The improvers. That's why HD Supply proudly supports maintenance education by sponsoring events like Maintenance Mania and offering career-accelerating training and certification classes.

EARN UP TO \$6,000 FOR YOUR ASSOCIATION

Use **Source Code L6R**, and for each order placed with HD Supply between May 1 - June 2, 2023, we will give a percentage of qualifying purchases to your participating association to use on multifamily industry education programs. Your association could receive a maximum contribution of up to \$6,000 (details at left).*

PAYOUT IS 6% FOR QUALIFYING PURCHASES FROM THE SELECT BRANDS BELOW.

PAYOUT IS 4% FOR QUALIFYING PURCHASES FROM ANY OTHER HD SUPPLY CATALOG ITEMS.

* The maximum contribution is based on association unit count as reported by NAA. Payouts to NAA members with fewer than 100,000 units are capped at \$4,000. Payouts to NAA members with 100,000 units or greater are capped at \$6,000. To be eligible, the total Net Qualifying Purchases by all of the NAA member's units must be equal to or greater than \$1.00 times the total number of units for such NAA member, as reported by NAA. The payout is calculated as follows: 6% of Net Qualifying Purchases of any A. O. Smith®, Pfister®, Frigidaire®, Kidde® and Kwikset® products, plus 4% of Net Qualifying Purchases of any other product in the HD Supply catalog. *Net Qualifying Purchases* are gross purchases less returns, shipping, and taxes. Special-order and renovation purchases do not qualify for this program.

† Using the source code ensures you will receive the promotional pricing offered by the national sponsors in the brochure and allows HD Supply to track all Net Qualifying Purchases. Qualifying customers only.

JACOB PAFF IS YOUR 2022 MAINTENANCE MANIA® NATIONAL CHAMPION!

Cincinnati's Jacob Paff of Village Green captured his first Maintenance Mania® title at last year's Maintenance Mania National Championship in San Diego. Paff, a member of the Greater Cincinnati Northern Kentucky Apartment Association (GCNCAA), was among 20 finalists who advanced from a pool of thousands of competitors to vie for the title of the world's fastest maintenance technician.

Racing against the clock, Paff outpaced other highly skilled maintenance technicians competing to see who was the fastest at performing seven commonly encountered maintenance tasks. Challenges included installations of a water heater, an icemaker, and a faucet. The finale featured a race car competition in which finalists race hand-built cars, each featuring at least three maintenance products.

Greg Quercetti of The Westover Companies and the Delaware Apartment Association placed second; Jimmy Garcia with RangeWater Real Estate and the First Coast Apartment Association (FL) finished third.

The 15th annual National Championship, hosted by the National Apartment Association (NAA) and presenting sponsor HD Supply, took place during Apartmentalize, NAA's annual conference and exposition, held June 22 - 24 in San Diego. Seven maintenance-focused challenges tested competitors' skills and knowledge as they competed for the national title and nearly \$20,000 in prizes, courtesy of the presenting and national sponsors.

The 2023 Maintenance Mania® National Championship will take place on June 7, 2023, in Atlanta.

SMOKE & CO ALARMS

CHECK OUT OUR CARBON MONOXIDE GUIDE

Carbon monoxide can be deadly in just minutes if left undetected. In many states and municipalities, the installation of carbon monoxide alarms is required by law. Having carbon monoxide alarms properly placed throughout your facility can help detect unsafe levels of carbon monoxide.
